§ 245a.19 Interviews.

(a) All aliens filing applications for adjustment of status with the Service under this section must be personally interviewed, except that the adjudicative interview may be waived for a child under the age of 14, or when it is impractical because of the health or advanced age of the applicant. Applicants will be interviewed by an immigration officer as determined by the Director of the Missouri Service Center. An applicant failing to appear for the scheduled interview may, for good cause, be afforded another interview. Where an applicant fails to appear for two scheduled interviews, his or her application shall be denied for lack of prosecution. Applications for LIFE Legalization adjustment may be denied without interview if the applicant is determined to be statutorily ineligible.

(b) At the time of the interview, wherever possible, original documents must be submitted except the following: official government records; employment or employment-related records maintained by employers, unions, or collective bargaining organizations; medical records; school records maintained by a school or school board; or other records maintained by a party other than the applicant. Copies of records maintained by parties other than the applicant which are submitted in evidence must be certified as true and correct by such parties and must bear their seal or signature or the signature and title of persons authorized to act in their behalf.

(c) If at the time of the interview the return of original documents is desired by the applicant, they must be accompanied by notarized copies or copies

§ 245a.20 Decisions, appeals, motions, and certifications.

(a) *Decisions*—(1) *Approval of applications.* If the Service approves the application for adjustment of status under LIFE Legalization, the district director shall record the alien's lawful admission for permanent residence as of the date of such approval and notify the alien accordingly. The district director shall also advise the alien regarding the delivery of his or her Form I-551, Permanent Resident Card, and of the process for obtaining temporary evidence of alien registration. If the alien has previously been issued a final order of exclusion, deportation, or removal, such order shall be deemed canceled as of the date of the district director's approval of the application for adjustment of status. If the alien had been in exclusion, deportation, or removal proceedings that were administratively closed, such proceedings shall be deemed terminated as of the date of approval of the application for adjustment of status by the district director.

(2) *Denials.* The alien shall be notified in writing of the decision of denial and of the reason(s) therefore. An applicant affected under this part by an adverse decision is entitled to file an appeal on Form I-290B Notice of Appeal to the Administrative Appeals Office (AAO), with the required fee specified in 8 CFR 103.7(b)(1). Renewal of employment authorization issued pursuant to 8 CFR 245a.13 will be granted until a final decision has been rendered on appeal or until the end of the appeal period if no appeal is filed. After exhaustion of an appeal, an alien who believes that the grounds for denial have been overcome may submit another application with fee, provided that the application is submitted on or before June 4, 2003.

(b) *Appeals process.* An adverse decision under this part may be appealed to the Associate Commissioner, Examinations, Administrative Appeals Office (AAO), who is the appellate authority
